Join-up/Meet-and-Greet IAmAWomanInSTEM for K-Week at UK August 20, 2016
Goals of #IAmAWomanInSTEM

- Encourage female undergraduate students to stay in STEM majors
- Provide female undergraduates with positive role models
- Involve female undergraduates in leadership and development of #IAmAWomanInSTEM initiative
- Create discussion on issues facing women in STEM fields, both in the classroom and in the workplace
Communication Outreach

- Websites, e.g., uky.edu/UGE/women-in-STEM and wstem.weebly.com
- Google+
- Facebook community page
- Twitter
- Instagram
- Tumblr
- Youtube channel
What We Do – Leadership in Learning and Teaching Others
